

CENA SA

Triage Update Day

This event was held on 8th November 2014 in Mount Gambier, South Australia. We had 18 attendees, most from the local area. On arrival they all received a CENA SA 'goody bag'.

All sessions were delivered as if a patient had just presented to the Triage Nurse. Some sessions were via teleconference and others face to face. The topics included;

- Drug & Alcohol
- Disaster management
- Trauma
- Mental Health
- Respiratory
- Paediatric
- Pregnancy related
- Eyes
- Minor injuries

Mount Gambier's Blue Lake

We also had a team-based competition throughout the day. This was a Triage 3 v 4 game. It facilitated networking and highlighted emergency nurses great problem solving skills!!

Special thanks to our amazing presenters – Chris Clarke, Kate Dewar, Karen Hammad, Ailsa Haskell-Craig, Anna Hawthorne, Jean Kerslake, Jill McKay, Leigh Peterson and Megan Wake

The event was organized by CENA SA committee members Sally Neumann, Megan Wake and Karen Hammad.

Comments from attendees;

“interactive”

“opportunity for discussion”

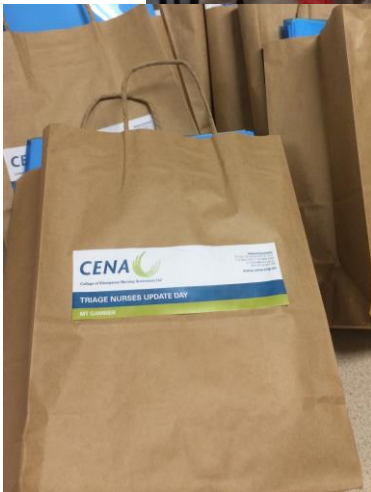

“well presented”

“great networking”
